AIMS & OBJECTIVES OF THE CO-OPERATION

- To utilize the skill & experience of the professionals from both the parties to enrich the knowledge of and empower the students with the emerging perspectives in the field of Research and to exchange study materials and academic publications in the field of research.
- To conduct need-based and skill-based courses and programs with participation from both the parties.
- To identify areas of interest and enhance knowledge and experience of the first party.
- To participate in academic conferences, seminars, workshops and discussions held by either party.
- To undertake institution visits and in-service/ in house/residential training programs for enriching the knowledge and skills of the first party.
- Industrial visits and practical exposure
- In-plant training programs / Internship Programs for both students and staff.
- Guest lectures and technical workshops by experts
- Curriculum enrichment and integration

COMMENCEMENT, RENEWAL, TERMINATION AND AMENDMENT

1. This MoU will come into force upon affixing the signature of the representatives of the parties and will remain in effect for two years. This MoU may be renewed upon its expiry, with the agreement of both the parties.
2. If either party wishes to terminate the MoU at the end of the two years period (22-07-2026 to 22-07-2028) it must notify the other not less than six months prior to the expiry of the MoU.
3. This agreement or its renewal and the actions taken under it may be reviewed at any time. Modification may be formalized by exchange of letters between the two parties.
4. This MoU shall be applicable to educational activities, attached to each party.
5. This MoU constitutes the entire agreement between the parties, and all prior discussions, agreements and understandings, whether verbal or in writings are merged in this agreement.
6. This MoU is not considered to be a contract creating legal and financial relationships between the parties. Rather it is designed to facilitate and develop a genuine and mutually beneficial exchange process/ academic relationships, and so forth.
7. This MoU should be reviewed every year to evaluate the progress and the quality of the mutual cooperation. It may be extended for an additional two-year period upon the written consent, then it concludes at the end of the specified time period, or other activities in progress have concluded.

This Agreement is executed as follows
