Discussion	It is discussed in the meeting to incorporate the following suggestions in the upcoming curriculum framing for the academic year 2025-26. • Bridge course for Maths Can be provided for the lateral entry student. The Credit system also can be changed for the lateral entry students separately as per the suggestion received from the University Nominee Dr. S.Ganesh Kumar. • Electric Circuit Analysis Can be shifted to third semester to make the lateral entry students too understand the circuits basics. • Electrical Machines-I can be shifted to fourth semester since Electro Magnetic Theory is in the third semester. • Special Electrical Machines can be renamed as Electrical Machines=III. • B.E. honors students should go with Seperate Elective Courses since Professional Elective courses are the basics. • Mandatory courses can be awarded as completed / Not Completed Status in the Mark Sheet. • Credit for the laboratory course can be rounded off so that it is easy to calculate the credit of the student during each semester. • For fifth semester, minimum number of the professional electives can be chosen. • Electrical vehicle Technology syllabus can be incorporated with university syllabus.
Resolutions	It is resolved to incorporate the above suggestions made in the discussions of BoS meeting 1 in the curriculum of the academic year 2025-26.

Closing Remarks

Next Meeting	January 2025 to February 2025
Concluding Note	The chairperson concluded the meeting by expressing appreciation for the contributions of all members.
