DEPARTMENT OF SCIENCE AND HUMANITIES

A warm and affectionate welcome from the Department of science and humanities. The department offers courses in the field of civil engineering, Computer science Engineering, Electronics communication Engineering, Electrical and Electronics Engineering and Mechanical Engineering in Under Graduate level.

Department of Science & Humanities is a multidisciplinary department which lays the profound foundation for all Engineering disciplines. The department comprises of Mathematics, Physics, Chemistry and English offering a strong basis to the students in pursuit of holistic science and technology knowledge.

We have highly maintained laboratories and dedicated academic and technical faculties to support our academics. The faculties were very dedicative in guiding our students regarding the projects. Our department has experienced staff, preparing our students for successful and rewarding career. The excellent infrastructure, dynamic teaching faculties along with training and placement cell ensures a bright future to students.

Our faculties are dedicative in giving more and good coaching for slow learners. Our department has been conducting SCIENCE EXHIBITION,

TECHNICAL QUIZ, and PAPER PRESENTATION since students can get knowledge and ideas about latest development in the field of technical education.

Our department students participated in various technical events held at CAPE INSTITUTE OF ENGINEERING AND TECHNOLOGY, LEVENGIPURAM, CARMEL HIGHER SECONDARY SCHOOL, Nagercoil, won various prizes in project expo, paper presentation & Technical Quiz.

We are conducting the certification courses through various AGENCIES for ATESH LABS, Nagercoil, for A NEW AGE CAREER SKILLS.

I wish to extend my gratitude to our **Director Dr. Jenix Rino & our principal Dr. Suresh Premil Kumar** for their valuable guidance & Suggestions for making this year Successful & memorable one.
